

## Big Boulder & Delaware Valley Ski Patrol's

### 2009 Outdoor Emergency Care CHALLENGE Course NSP# 17155

Classes: **Mondays at 7:00pm - 10:00pm**  
Starting Date: **August 31st**  
End Date: **December 14th**  
Location: **ESC School, 1422 Route 179, West Amwell, NJ 08350**

**NOTICE: THIS IS A SPECIAL CLASS FOR PERSONS WITH PRIOR MEDICAL BACKGROUND OR OEC CERTIFICATION ONLY.**

#### **Challenge Course Prerequisite:**

Current license in medicine (MD, DO, nurse, or physician assistant); any level of EMT or paramedic in accordance with US DOT curriculum; previous OEC certification, provided the expired OEC certification date has not exceeded three years. Other certifications may be approved by the NSP Education Director, based upon and after submission and review of appropriate curriculum materials.

#### **Schedule:**

This course is being run in conjunction with a standard OEC course. The schedule will note which classes the Challenge Course students are required to attend and which classes are optional. There are three required all day (weekend) events: DVSP OEC Refresher (10/4/09), OEC Pre-test (12/5/09), OEC Final test (12/12/09).

NSP requires everyone to have Professional CPR. This is not part of the class, but may be offered through DVSP depending on CPR instructor availability. Please note if you have a current CPR certification, it must be recertified EACH year for NSP.

Patrol Candidates interested in taking the OEC challenge class must have their mountain's patroller director contact the DVSP OEC Director confirming that they are enrolled as a candidate at that mountain (email or phone call).

**To sign up, please visit the DVSP website at**

**[www.dvsp.org](http://www.dvsp.org)**

**and click on the OEC Information link.**

**Please include "OEC Challenge Course" in the subject line of your email.**
